

REMARKS

Claims 1-5 are pending in this application. Claims 1-5 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claims 1-52 of U.S. Patent No. 6,805,706. Applicants submit herewith a Terminal Disclaimer and the requisite fee, as the assignee of all applications is the same entity. Applicants respectfully submit that these Terminal Disclaimer obviates the double patenting rejections and objections.

The Examiner is encouraged to call the undersigned attorney if doing so will facilitate prosecution of the application.

Respectfully submitted,

Date: June 9, 2005

Michael J. Keller
